

A photograph of a tropical villa courtyard. In the foreground, a long, narrow stone-lined pond is filled with water lilies and large green lily pads. The pond is flanked by a well-maintained lawn. In the middle ground, a traditional Balinese-style pavilion with a thatched roof and open sides is visible, containing wooden chairs. The background is filled with lush tropical trees and a clear blue sky. The text 'Aman Villas at Nusa Dua 2023' is overlaid in a white serif font.
