Sassy Fuchsia

Vibrant fuchsia of the bougainvillea, one of the colors outlining the island of Bali, takes center stage this time.

This super fragile tropical vegetation, which immediately loses its vigor soon after being cut, requires the support of roses and vanda, blush of anthurium, ecru of pampas grass and subtle, dyed asparagus fern to balance out the look; it's cute yet elegant.

Hope, Pray & Love

Lavender is one of the "it" colors in terms of wedding décor. However it's seasonal thus may be a challenge to bring it to your day in exceptional condition.

Off white, ecru, oatmeal of pampas grass, lunaria, dried ferns accentuate this focal color, supported by chiffon & tulle in lavender. The result is beautiful and romantic.

Tropical Glam

Gathering the colors of the tropical Island, Bali. Blue of the Indian Ocean, orange of heliconia, pistachio of anthurium, rich shades of greenery etc.

Yellow roses, gorgeous looking velvet teal blue & mustard cushions help the vibrant colors to blend seamlessly.

Green - Shade Elegance

Let multiple shades of greenery of the island make your day. From fresh green glittering in gentle morning lights to sage and deepest green from the jungles, lay varied hues of green vibes to the décor.

Sumptuous baby's breath shines along with eucalyptus, asparagus fern and pothos plants.

Décor theme can be selected from 4 choices above or be fully customized with additional charge
